SAINTS BOOK CLUB

Kathryn Harrison gives us a Joan of Arc for our time—a shining exemplar of unshakable faith, extraordinary courage, and self-confidence on the battlefield, in the royal court, during a brutally rigged inquisition and imprisonment, and in the face of her death. In this new take on Joan's story, Harrison deftly weaves historical fact, myth, folklore, scripture, artistic representations, and centuries of scholarly and critical interpretation into a fascinating narrative, revitalizing our sense of Joan as one of the greatest heroines in all of human history.
